Greetings,

Please join me as we make the final push for victory as I seek the office of Executive Director for Church Growth and Development. In a few short weeks we will arrive at the 51<sup>st</sup> Quadrennial Session of the General Conference. As of today, the Worthen Works Campaign has now reached a pivotal milestone with fundraising. We are now in the final home stretch for election day, and I now need your financial support more than ever.

Your financial support will help to move this campaign ahead, considering there’s still more work to be done. Moreover, several items must be purchased within the next few weeks for the Worthen Works campaign to continue to remain competitive.

Here are two ways you can help the campaign right now:

- 1.) You may give via Cash App: **\$WorthenWorks** or you can mail your check to: **The Campaign to Elect Reverend Carlton Worthen** c/o St. John A.M.E. Church, 901 Dale Road, Eufaula, AL 36027.
- 2.) Secure a virtual digital souvenir journal ad. Your ad will be prominently displayed on the Worthen Works campaign website, shared with our robust database of supporters’, and shared across all social media platforms owned by Rev. Carlton Worthen.
